- Demonstrated experience in supervising, mentoring, and providing supportive coaching to midwives and other maternity care providers.
- Strong understanding of quality improvement approaches, Respectful Maternity Care (RMC), infection prevention and control (IPC), and clinical protocols.
- Experience in maintaining clinical records, reviewing service data, and using monitoring tools for quality assurance.
- Good analytical, documentation, and report writing skills.

Responsibilities & Context

Job Circular No.: 20260730-011

Research, Training and Management (RTM) International NGO working in Cox's Bazar to implement different projects supported by the Government of Bangladesh, UNFPA, UNICEF and other development partners. To provide essential health services to the affected population across different locations, RTM requires filling the vacancies for the mentioned position under the RTMI UNICEF Project.

Report to: Head of Operations-Field

Major Responsibilities:

- Provide direct clinical supervision to midwives by observing practices, offering constructive feedback, and ensuring adherence to protocols and best practices.
- Provide direct clinical supervision to midwives by observing practices, offering constructive feedback, and ensuring adherence to protocols and best practices.
- Mentor and support midwives in developing their clinical skills, knowledge, and confidence in managing pregnancy, childbirth, and postpartum care.
- Address and resolve clinical challenges or emergencies encountered by midwives to ensure the safety and well-being of patients.
- Manage and maintain essential supplies, equipment, and medications for reproductive health services.
- Oversee the implementation of clinical protocols and guidelines for maternal and newborn care.
- Monitor and evaluate the quality of care provided at the clinic, identifying areas for improvement and implementing corrective measures.
- Contribute to developing and implementing PHC programs focusing on maternal and newborn health.
- Identify training needs for midwives and participate in conducting training sessions on key topics.
- Maintain updated knowledge of best maternal and newborn health practices to enhance service delivery.
- Maintain the standard guidelines of Infection Prevention and Control (IPC) at all facilities.
- Collaborate effectively with healthcare professionals, community leaders, and stakeholders to ensure comprehensive care for women and newborns.
- Advocate for the needs of women and girls in the refugee camps, promoting access to high-quality reproductive health services.
- Maintain close communication and follow guidance from the Program Manager, Medical Officer in charge, and Medical Coordinator.
- Know, understand, and comply with all the policies of RTM International, including HR Policy, PSEA, Code of Conduct and Workplace policy.
- Perform any additional tasks as assigned by the authority to support the efficient functioning of the healthcare facility.
