Key Responsibilities:

1. Perinatal Mortality Surveillance:

- Conduct systematic perinatal mortality surveillance in the Rohingya refugee context.
- Collaborate with healthcare facilities and community health workers to collect data on perinatal deaths.
- Ensure accurate recording, reporting, and analysis of perinatal mortality data.

2. Data Management:

- Maintain a comprehensive and up-to-date database of perinatal mortality cases.
- Regularly review and clean data to identify trends and patterns.
- Prepare and submit timely reports on perinatal mortality rates and trends.

3. Capacity Building:

- Provide training and capacity-building support to healthcare providers and community health workers on perinatal mortality surveillance protocols.
- Foster a culture of data-driven decision-making among healthcare teams.

4. Quality Improvement:

- Collaborate with healthcare facilities to identify gaps in perinatal care and develop quality improvement initiatives.
- Monitor and evaluate the effectiveness of interventions to reduce perinatal mortality.

5. Community Engagement:

- Engage with the Rohingya community to raise awareness about perinatal health and promote maternal and child well-being.
- Facilitate community-based initiatives to enhance perinatal care practices.

6. Collaboration and Advocacy:

- Work closely with relevant government agencies, NGOs, and partners to coordinate perinatal mortality reduction efforts.
- Advocate for policies and interventions that prioritize maternal and child health.

7. Reporting and Documentation:

- Maintain accurate records of all activities, meetings, and training sessions.
- Prepare comprehensive reports on program activities and outcomes.

8. Others:

- As per the direction of Sr. PM, he/she will be responsible for doing some extra activities.
- Any other responsibilities given by the Authority.
