### Job Context

RTM International is going to appoint a number of skilled professional to provide Sexual and Reproductive Health Services in Cox 's bazar. The required qualification and experiences for the position is given below:

### Job Responsibilities

- Position Summary:
- The **Perinatal Mortality Coordination Officer** will play a critical role in conducting perinatal mortality surveillance in the Rohingya refugee context. This position is responsible for coordinating and implementing activities aimed at reducing perinatal mortality rates, improving maternal and child health outcomes, and ensuring that accurate data is collected and analysed to inform evidence-based interventions. The successful candidate will work closely with healthcare providers, community health workers, and relevant stakeholders to support perinatal mortality reduction initiatives.
- Key Responsibilities:
- 1. Perinatal Mortality Surveillance:
  - Conduct systematic perinatal mortality surveillance in the Rohingya refugee context.
  - Collaborate with healthcare facilities and community health workers to collect data on perinatal deaths.
  - Ensure accurate recording, reporting, and analysis of perinatal mortality data.
- 2. Data Management:
  - Maintain a comprehensive and up-to-date database of perinatal mortality cases.
  - Regularly review and clean data to identify trends and patterns.
  - Prepare and submit timely reports on perinatal mortality rates and trends.
- 3. Capacity Building:
  - Provide training and capacity-building support to healthcare providers and community health workers on perinatal mortality surveillance protocols.
  - Foster a culture of data-driven decision-making among healthcare teams.
- 4. Quality Improvement:
  - Collaborate with healthcare facilities to identify gaps in perinatal care and develop quality improvement initiatives.
  - Monitor and evaluate the effectiveness of interventions to reduce perinatal mortality.
- 5. Community Engagement:
  - Engage with the Rohingya community to raise awareness about perinatal health and promote maternal and child well-being.
  - Facilitate community-based initiatives to enhance perinatal care practices.
