Responsibilities & Context

Job Location: Ukhiya, Cox's Bazar

Report to: Head of Operations – Field/Medical Coordinator/ Clinic In-Charge

Duties and Responsibilities:

- In collaboration and under the direction of Head of Operations- Field/Medical Coordinator/ Clinic In-Charge, the MHPSS and GBV focal point will:
Develop monthly work plan towards accomplishment of the AWP and monitor the plan accordingly.
Set program strategies and a work plan, in coordination with concern managers, to meet program goals and to determine operational needs.
The MHPSS Officer is overall responsible for the appropriateness and quality of MHPSS inventions at her jurisdictions.
Working closely with the other sectors to ensure smooth running of mental health programs and providing support to the health and GBV programming activities.
Work with the Clinic-in-charge/Field Coordinator to conduct a situational analysis in areas of operation to determine the best implementation strategy.
Mentoring to MHPSS Team offering mental health and psychosocial support services,
Work directly with communities of concern to identify MHPSS problems and to promote that they receive appropriate services and support.
Support the development of strategies for community mobilization regarding MHPSS.
Identify local partners and points of service and support for individuals in need of Mental Health and Psychosocial related assistance.
Supports capacity building and hands-on support on MHPSS interventions to relevant protection units, particularly those for community-based protection, child protection and SGBV and their partners.
Train GBV/Psychologist & Partner Counselor/Para Counselor/Case Worker to provide Mental Health & Psychosocial support as well as case management services.
Provide technical and program management training for staff and volunteers.
Together with the Clinic in Charge, establish a case management system.
Ensure monthly and quarterly reports, on time and with accurate data.
Coordinate with UN, government and NGO partners to ensure well-coordinated prevention and response activities
Work with partners and community members to monitor and strengthen referral pathways
Coordinate with other sector actors and working groups to ensure GBV integration
Maintain coordination and positive working relationships with all projects of RTMI.
Contribute to the positive image and overall credibility of the organization, notably through the application of the organization's Code of Conduct
Maintain confidentiality and uphold other principles in line with protection programming
Attending Coordination meetings which are relevant to MHPSS program and communicate relevant information to the senior management team
Know, understand, and comply with all the policies of RTM International including HR Policy, PSEA, Code of conduct and Workplace policy
Any other responsibility assigned by the authority.
