

**Achievement on Family planning activity in 2021-22:**

**Research, Training and Management (RTM) International has been awarded for the best NGO for MCH & Family planning activity at National, Divisional, District, and Upazila level**

**RTMI has won the title of Best NGO for MCH & FP in CBD & clinical in the Upazilas of Ukhiya and Teknaf as well as the District level of Cox's Bazar. RTMI has been named by the Government of Bangladesh as the best NGO in CBD in the Chattogram Division as well as RTMI has been chosen for MCH & FP award at the national level (in the entire nation) in CBD. Although there were many obstacles, including the pandemic and other natural calamities, it is still a remarkable accomplishment, achieved through guidance of FP department, UNFPA, and our field staff. We are really happy to be able to share this information with all at this time.**

**Thanks to GoB (DDFP-CXB & UFPO, Ukhiya and Teknaf), UNFPA for all their support and all the member of RTMI team who worked hard and made this possible.**
